OFFICE OF LEGISLATIVE COUNSEL

Thursday - 2 June 1977

1. [] LIAISON In connection with her request of yesterday, sent to Betty Burger, in the office of Representative Charles E. Grassley (R., Iowa), a fact sheet on the Agency's Cooperative Education Program. This fact sheet was furnished by the Office of Personnel.

2. [] LIAISON Received a call from Dick Friedeman, Research Assistant to Senator Robert J. Dole (R., Kans.), who said the Senator has been trying to obtain a copy of a French magazine entitled "Afrique-Asie" which contains a long interview with Fidel Castro. He said he would like to get a copy in English if possible but if not, they could have the Library of Congress translate it for them. I told him I would check and see if we could come up with a copy of it. He said he did not have the exact date of the issue but it is about three weeks old.

4. [] LIAISON Several congressional offices called seeking information about Project OUTREACH. I informed them that the tour program would begin in about 6-8 weeks and I would be glad to call them back once the schedule was more firm. The following offices called: Representative Joseph Gaydos (D., Pa.), Representative Clarence Long (D., Md.), Senator Henry Bellmon (R., Okla.), Representative W. Henson Moore (R., La.), Representative Romano Mazzoli (D., Ky.), Representative Lindy Boggs (D., La.), and Representative Gladys Spellman (D., Md.).

5.  LIAISON Delivered to Jim George, Minority staff member, House Government Operations Subcommittee on Legislation and National Security,  letter acknowledging Representative Frank Horton's (R., N.Y.) letter introducing Mr. George. George said that Mr. Horton's letter followed a set format and he fully understands that he would not be made privy to the detailed operations of the Agency normally associated with Congressional oversight. He asked for a copy of the Agency's recently released unclassified studies on energy and said that he may from time to time submit requests to us. I said we would make every effort to help him out whenever we can.

19. [REDACTED] LIAISON Met with William Byrd, Bipartisan Intern Committee, to discuss the possibility of the Agency providing a speaker for one of their regularly scheduled seminar sessions. Mr. Byrd thought such a session would be appropriate and suggested three possible dates: 29 June, 6 July or 13 July. The session would be held in the Coolidge Auditorium of the Library of Congress from 12:00 noon to 1:30 p.m. The Auditorium is the largest facility on the Hill and can accommodate 600. Mr. Byrd predicted a large turn-out indicating that there are approximately 2,500 interns on the Hill. He also cautioned that, although most of the interns have finished at least one year of college, such a large group could include hostile elements. Admission to the session is on a first come basis with attendees showing a Congressional Intern I. D. card for entrance. I will schedule a convenient date in coordination with A/DCI/PA and the OTR briefing office so that the DCI might have the option of attending to offer opening remarks.

21. [REDACTED] LIAISON Received a telephone call from Paul Michel, Department of Justice. Michel wished to tell me that he had been called by John W. Nields, Jr., Special Counsel, House Committee on Standards of Official Conduct, who told Michel that he was aware that Michel was blocking House Committee on Standards of Official Conduct (HCSOC) access to CIA documents vital to the pursuit of HCSOC investigations.

I explained to Michel that I had discussed this matter with Nields earlier and had made it clear to him that there is no intention to withhold any information from the HCSOC. We plan to show Nields sanitized documents first and have him ask specific questions in order to get specific answers rather than simply put before Nields everything in our files which we believe may be of value to him.

It was my best impression that Nields had understood this but I indicated to Michel that perhaps he had not. In any case, I asked Michel to contact me if he had any further indication that Nields still believes Justice is blocking the HCSOC in its need for information. Michel agreed to do so.
